TO ALL GROUND EMPLOYEES

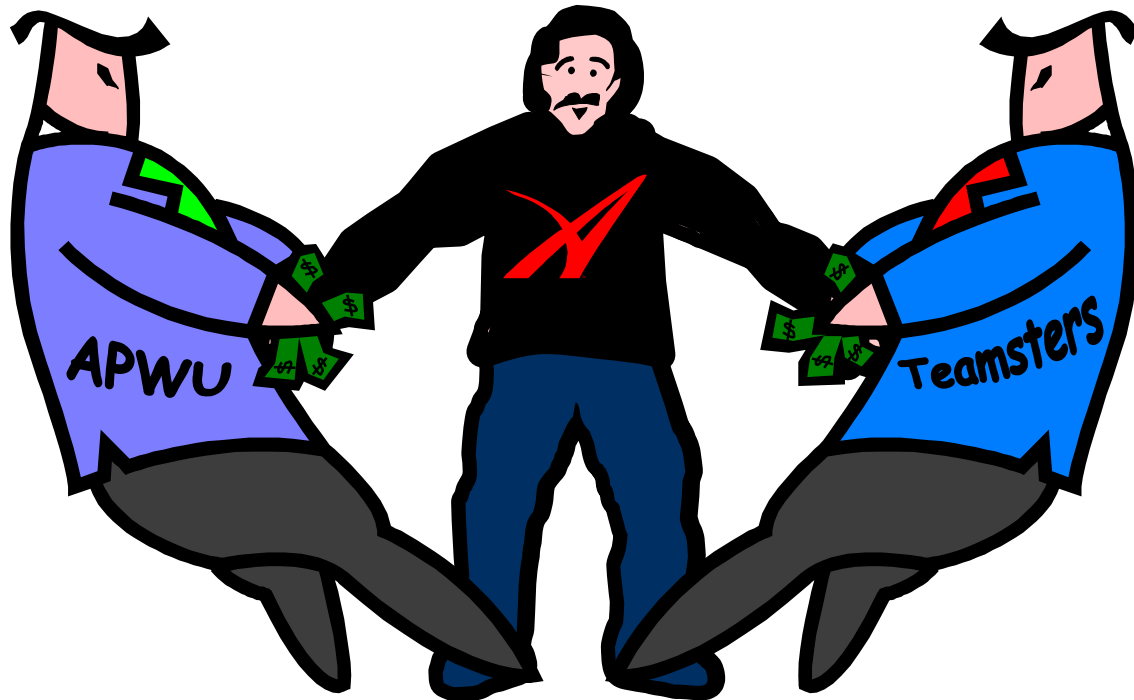

THE ABX GROUND

TUGOF WAR

Now it is the Postal Workers **and** the Teamsters pushing for a **hand** in your future . . .
Of course they mean *A HAND IN YOUR POCKET!*

Here we are working hard to make our company the best cargo system in the country, demonstrating to our customer we can be the best . . . and all of a sudden, unions decided they want to “ride the wagon” of your hard work while taking a piece of your money for themselves. Look very carefully at this maneuver. What can an outside union do to help us get better? Together we are making a future for ourselves and our families. Be careful, the union wants a signed union card . . . from you.

BE CAREFUL!

*ABX Air is one of the fastest growing companies in the State of Ohio.
Together we are working hard to build a future
for our customers, shareholders, you, and your family.*
